

Professional LITE

Thinner blade allowing for quicker change of edge and improved glide. New 'Tuff' plates that are lighter and 2X as strong as traditional options. High quality carbon steel HRC 58 heat treated to keep the edges sharp. Chrome finish The elongated 7 ft rocker profile has minimal blade contact with the ice while performing spins, allowing you to create less friction for a faster and longer spin. Professional cross-cut toe picks for better bite Radius Of Hollow 7/16? for great footwork and deep edges
