

GIOTTO

The Giotto wheels are perfect for the execution of figures. Monocoque wheels produced via injection of a mix of thermoplastic polymer materials. The 63mm diameter is optimal for the maximization of roll. Their particular tapered profile is ideal for the execution of figures. Brilliant and elegant chrome coverage. The rounded finish allows for use in competitions with a minimal adjustment time. Available in 4 hardnesses (colors). Available in sets of 8 wheels (It is at the discretion of each reseller to sell units in smaller quantities). It is advisable to periodically clean the wheels, taking care to: remove the bearings remove the dust with a rag wash the wheels with water and a light, neutral soap avoid harsh products such as alcohols, gasoline, etc.
